

ZAMAR' PORTABLE CHECK-IN AND BOARDING SYSTEM

Managing the Check-in process at a hotel requires efficient systems to ensure a smooth and organized experience.

With Zamar's portable check-in desk, we offer a practical and efficient solution for handling large numbers of travelers during peak seasons.

The portable check-in and boarding solution offers a complete check-in service as well as the issuing of boarding passes and baggage tags at hotels. It also allows travelers to board the aircraft at non-fixed boarding gates at the airport.

Features

- Hardware Solutions
- Boarding Pass Printer
- Bag Tag Printer
- Scanner
- CPU/PC
- Screen
- Portable Case

Our mobile check-in desk will contribute to a smoother and more efficient check-in process.

We are working with the relevant authorities and stakeholders to ensure that the solution complies with local regulations and requirements.
